Care Instructions **Aglaonema Pictum Tricolor**

The Aglaonema Pictum Tricolor is a striking tropical houseplant known for its beautiful, variegated leaves. Its foliage features a unique mix of green, grey and silver hues, creating an eye-catching pattern. Easy to care for, it thrives in indirect light and prefers moderate watering, making it a popular choice for both beginners and plant enthusiasts. Perfect for adding a touch of elegance to any indoor space, the Aglaonema Pictum is a low-maintenance yet stunning plant.

Light: Bright indirect light. Can tolerate lower light conditions. Enjoys humidity. Direct sun and dry or cold draughts will brown the leaves.

Water: Keep soil moist but not soggy, do not allow plant to sit in water. Tip: Allow the top layer of soil to dry out between watering.

Maintenance: Ready potted in our premium soil, so no need to repot for the next 12-24 months. Fertilise with our GrowthTechnology Foliage Focus Plant Food monthly during spring/ summer. Reduce feeding in the colder months.

Air-purifying plant

Toxic: Keep out of reach from pets and children.
